Safety Instructions

Please read all instructions before assembling or using this product. Keep away from direct sunlight and extreme temperatures. Do not use chemical solvents for cleaning.

Assembly Guide

1. Unpack all components and lay them on a flat, soft surface.
2. Verify all parts are present using the parts checklist.
3. Follow the step-by-step diagrams provided in the accessory packet.
4. Do not over-tighten screws to prevent damaging the material.

Maintenance & Care

Wipe clean with a damp cloth. For tougher stains, use a mild soap solution. Inspect all connections periodically to ensure they remain tight and secure.
